Clarence, 2012
35 x 50 cms

Clarence has been a mascot of sorts for my work for the past two years. He represents what I'd like most of my work to include; bright minimal colour, a variety of texture and themes or elements of nature.

I graduated from the University of Worcester in 2013 with a BA in Illustration. I currently produce work in my spare time whilst working but am always on the lookout for new opportunities. I work primarily in digital formats but incorporate traditional techniques such as material textures and screen-print-esque composition.
