

Jack Haughey
Layers, 2015
36 x 27 cms

Entry into clothing brand Threadless' 'Patterns' contest from Autumn last year. The piece features a 5-colour palette and is loosely based on Earth's tectonics.

I graduated from the University of Worcester in 2013 with a BA in Illustration. I currently produce work in my spare time whilst working but am always on the lookout for new opportunities. I work primarily in digital formats but incorporate traditional techniques such as material textures and screen-print-esque composition.
